“Let's pledge to make India the skill capital of the world.”

SKILL INDIA
STRENGTHENING
NEW INDIA
For the first time in 70 years of India's independence, Ministry of Skill Development & Entrepreneurship (MSDE) has been formed to focus on enhancing employability of skills.

Skill India is a Government of India initiative launched by Prime Minister Narendra Modi on 15th July, 2015.

Since its inception, MSDE has undertaken significant initiatives and reforms in terms of formalising the policy, framework and standards; launching of new programmes and schemes; creating new infrastructure and upgrading the existing institutions; partnering with States; engaging with industries and building societal acceptance & aspirations.
Today, our nation is being recognised internationally as an economic powerhouse and we are being acknowledged for the way we are transforming ourselves and addressing our social, economic and environmental problems. Skill India will serve as the backbone for all national missions and initiatives by empowering our youth with industry relevant skills, quality certification and market linkages, towards capitalising our demographic dividend.

Dharmendra Pradhan
Minister of Petroleum & Natural Gas and Minister of Skill Development & Entrepreneurship, Government of India

Skill India should be reverberated amongst the youth to create a movement for nation building. We will have to give focus to adapting ourselves to skill education along with conventional education. Only Skill development can change the future of the country.

Anantkumar Hegde
Minister of State, Ministry of Skill Development & Entrepreneurship, Government of India
India is one of the youngest nations in the world with approx 10 Lakhs people entering the workforce every month.

17. Launch of PM Yuva to promote entrepreneurship - November 2016

24. Skill India supports national projects like Urja Ganga Gas Pipeline Project and Project Swarna - December 2017

18. Indian Institute of Skills launched by Hon’ble Prime Minister (Centre of Excellence based on globally successful models) - December 2016

25. Revision of ITI affiliation norms, NAPS and PMKVY guidelines to further strengthen the ecosystem - January 2018

26. First batch felicitated under India Japan partnership for Technical Intern Training program between the two countries - March 2018

20. 1.5 crore people skilled under MSDE programs - June 2017

27. Skill India partners with Ministry of Power for supporting Saubhagya Project - March 2018

21. Grading of ITIs and Short-Term Training centres - July 2017

28. State Ministers’ conference to promote convergence and strengthen the initiatives at a regional and block level - April 2018

22. Launch of SANKALP and STRIVE - World Bank projects to strengthen quality and reforms - October 2017

29. Common branding across all Skill Development initiatives across country - May 2018

30. More than 5 Lakhs placed under PMKVY 2016-2020 - May 2018
ENHANCING SCALE AND OUTREACH WITH SPEED
DIRECTORATE GENERAL OF TRAINING (DGT)
INDUSTRIAL TRAINING INSTITUTES (ITIs)

Re-energised the existing ITI ecosystem across the nation.
A total of 14,254 ITIs have been opened till date with a seating capacity of 30.57 lakhs. 3,356 New ITIs added with 14.9 Lakhs + seats during last 4 years.
SCALING UP OF ITIs
AIM TO ESTABLISH ONE ITI IN EACH BLOCK

No. of ITIs: 32%

May - 14: 10,750
May - 18: 14,254

Total seats: 54%

May - 14: 19.82 lakhs
May - 18: 30.57 lakhs

Figures in lakhs

Significant increase in capacity and enrollment in ITIs between May 2014 - May 2018
₹12,000 CRORE ALLOCATED BY CENTRE TO PRADHAN MANTRI KAUSHAL VIKAS YOJANA (2016-2020)
PRADHAN MANTRI KAUSHAL VIKAS YOJANA (PMKVY)

Flagship skill development program of MSDE to mobilise large number of Indian youth to takeup industry relevant skill training. PMKPY targets to train 1 crore youth by 2020

19 LAKHS+
Candidates trained under PMKVY 1

More than 3000 CR allocated to states under PMKVY funds with total training target of more than 20 LAKHS (2016-2018)

27.5 LAKHS+
Candidates trained under PMKVY (2016-2020)
FEE-BASED SKILL ECOSYSTEM

- Aims to promote skill development by catalysing creation of large, quality, for-profit vocational institutions
- Added 178 training partners; total 384 partners till now
PRADHAN MANTRI KAUSHAL KENDRAS (PMKK)

Visible and aspirational model training centres in every district of the country

531 PMKKs allocated to be set up

451 PMKKs are operational

Prominent features of PMKK:
1. Counseling cells
2. Mandatory manufacturing job role
3. Smart labs
4. Placement cells
5. Model equipment for training
RECOGNITION OF PRIOR LEARNING (RPL)

**Outcome based**

**Infrastructure based**

**Industry Connect based**

**Others**
Reform in Process, Curriculum and Industry Links

- **Reforms in examination norms:** Removed negative marking, increased examination languages to 13 and moved towards an online exam system.
- **Introduction of new-age courses:** New courses introduced in preparation for industry 4.0 - MoUs with IBM, NASSCOM.
- **Dual System of Training:** 88 MoUs have been signed with different industry partners for running courses in Dual Mode.
- **National Skill Trainers' Institute:** All central institutions are to be transformed into National Skill Trainers' Institute to focus on strengthening the trainers' training capacity.
- **ITI Upgradation:** ISO 29990 certification, NSQF compliant, capacity utilisation across institutes and colleges and adding of Grievance Redressal Forum.
- **Key industry partners include:** JK Cement, SAIL, Jindal Pipes, NALCO, NTPC.
COURSE STANDARDISATION, INDUSTRY CONNECT

COURSE STANDARDISATION

- NSQF alignment
- 1,911 QPs and 5,000+ NOS developed and validated by 2000+ companies
- Comprehensive curriculum reforms undertaken
- Published model curriculum and content in 9 languages
- Online content marketplace and mobile e-reader for model content and curriculum developed

INDUSTRY CONNECT

- 39 Sector Skill Councils including 11 new ones, created with 350 corporate leaders on their GCs
- 250 short-term training courses linked to apprenticeship (pilot scheme with BFSI)
- 50 corporates including PSUs contributed over ₹160 Cr in CSR to NSDF (till May 2018)
LEVERAGING TECHNOLOGY

SKILL MANAGEMENT & ACCREDITATION OF TRAINING CENTRES (SMART)

- Online system for registration, accreditation, affiliation, continuous monitoring and renewal of training centres
- 15,000+ training centres accredited and affiliated through SMART

LIFECYCLE OF SMART

1. Training Partner Registration
2. Training Centre Registration
3. Centre Accreditation and Affiliation Form
4. Sector Skill Council gives Accreditation and Affiliation
5. Inspection
6. Desktop Assessment

Accreditation and Affiliation is not linked to target allocation
SKILL INDIA PORTAL

- Online data management and system tracking for registration and enrolment, training, assessment, certification, placement and disbursements
- Integrated across all verticals of skill development initiatives – Short-term courses, long term training, apprenticeship etc

- Lifecycle of 50 lakhs+ candidates captured on the portal. To be expanded further by mapping all schemes and initiatives
- Providing complete Skill India portal access to the States without existing Monitoring Information System (MIS)
- Providing States with existing MIS, option for data integration through Application Programming Interface (API) and excel upload

Building capacity in States allows us to even bring State implemented schemes and programs on an online IT platform, enabling better monitoring, faster processes and standardisation of Skill ecosystem.
ADVANCED TECHNOLOGY PLATFORMS

- SMART: Inspection application
- Skill India Portal: Training lifecycle management
- Senpiper application: Monitoring visits
- Kaushal Mart: Market place for content (ordering books)
- App for Library: Online content for trainees
- Takshila Portal: For trainer and assessor registration
PROMOTE CONVERGENCE AND COORDINATION
Skill training of 1000 masons in Jhansi, UP, for the construction of twin pit toilets to address issue of open defecation, supporting Swachh Bharat Abhiyaan.
COLLABORATION WITH MINISTRIES SUPPORTING NATIONAL PROJECT

SAUBHAGYA SCHEME
- Scaling rural electrification reach
- VET launched in six States (Assam, Bihar, Madhya Pradesh, Jharkhand, Odisha and Uttar Pradesh)
- Job roles of lineman distribution (Multiskilled)/Technical Helper
- Target: 47000 in these six focus States and more than 55000 across the country.

PROJECT SWARNA
- To upskill and conduct RPL training for the staff of Rajdhani and Shatabdi trains
- Target to train 2500+ railway staff

URJA GANGA
- To provide Skilled manpower for the successful completion of the project
- Training in conjunction with hydrocarbon sector
- Targets to train more than 40,000 youth over the next 10 years

NHAI & NHIDCL
- RPL training of construction workers
- Trained in masonry and bar bending trades
- Conducted in Maharashtra, Odisha and Uttarakhand over the last 2.5 years
NATION BUILDING WITH MINISTRY OF HOME AFFAIRS

Supporting Assam Rifles:
RPL conducted for Assam Rifles personnel retiring within 2 years of service - leading to dignified post retirement with employment option close to their native place. PMKVY short term training to enable and empower the family members of these personnel, to become mainstream contributors to household. Setting up of Multi-Skill Development Centre which can be utilised for their training.

Bringing LWE extremists to mainstream:
Relaxation in educational qualifications for admission in ITIs, for surrendered Naxalites, will help in getting them back into mainstream.

Udaan, a Special Industry Initiative (SII) for the youth of Jammu & Kashmir, provides opportunities to the graduates, post graduates and three years diploma holders in the state to get trained and employed with some of the best corporate across India. The program is implemented by National Skill Development Corporation in partnership with Ministry of Home Affairs. The program is a part of the overall initiative taken by the Central and State Government to revive economic activities in Jammu & Kashmir.
CONVERGENCE OF ALL SKILLING INITIATIVES UNDER SKILL INDIA

An attempt has been made to bring about convergence across all initiatives of Skill development of various ministries and States

- Implementation of common norms across programs being run by 20+ central ministries
- Alignment to National Skill Qualification Framework (NSQF) to ensure standardisation across all courses
- Skill targets are being defined keeping in mind all central and State schemes and initiatives
- Common portal – Introduction of India Skill Portal centralised data and monitoring for easy access of mapping of skill demand and supply
- Common branding ensuring cohesiveness and awareness about skilling program across
- Periodic monitoring of all initiatives at the highest level

Meeting with Cabinet Secretariat on convergence of all schemes and initiatives under Skill India
SPECIAL PROJECTS

- Partnership with the Indian Army
- Project with Bru Tribe from North East Region
- Special Project with Central Bureau of Investigation
- Training of Trainer / Assessor course for AirForce Personnel
- Partnership with Juvenile Justice Board

Schemes for a deeper engagement with States

**REGULAR MEETINGS** with State CMs & Skill counterparts

**35 SSDMs CREATED** post launch of Skill India across 29 States/7 UTs

**NSDC REGIONAL OFFICES** have been set up in 14 States so far

---

**Collaboration on infrastructure**

- 44 Skill Centre(s) in railway premises.
- 20 Army Skill Training Centers (ASTCs), Partnership with Paramilitary and Indian Air force Centers at airports and premises of PSUs under way. Plan to use under-utilised engineering colleges and universities for skilling

---

**Collaboration with Schools and Universities**

- NSDC is working with 21 universities, UGC and AICTE catering to more than 1200 colleges and 400 community colleges across the country
- Covered 7691 schools with enrolment of approx. 6 lacs students between class 9-12
MAKING SKILLS ASPIRATIONAL
Skill India has an innovative initiative called ‘Skills on Wheels’ - which guarantees access to skill development for rural communities and remote locations. The initiative will create awareness among the youth where career mentors counsel them on what skills they can take up leading to a better livelihood. The pilot was done in Karnataka.

CANDIDATES GETTING PRACTICAL TRAINING ON AUTOMOTIVE TRANSMISSION AT ITI; EXPLAINING A MULTI-CYLINDER ENGINE
REFORMS IN ITI AFFILIATION NORMS:

To curb the mushrooming of substandard institutes across India and to improve the overall quality of ITIs, the Ministry of Skill Development & Entrepreneurship (MSDE) has introduced new affiliation/ accreditation norms for all the existing and new ITIs.

Norms specific to ITIs with trainees' strength below 200 did not exist. These have been revised for better standard of ITIs.

Active participation of respective states in the 3 Stage Affiliation Process:

- Online assessment and NOC from State Government
- Verification of Civil Infrastructure through State Government
- Expert Committee Verification/Final Inspection through active participation of State Governments
- These norms are applicable from academic session 2018 onwards

All pending cases/legacy issues on affiliation are being resolved in the public domain, with the help of an Appellate Committee which has been notified by MSDE. This will provide a Grievance Redressal Forum for the applicants aggrieved by the decisions made with regard to affiliation of ITIs.
RPL PROJECT TYPE 4
NEW INITIATIVE

To assess and certify 25 lakhs people with support from close to 600 companies across 29 sectors

- Reputed companies can carry out the assessment and certification of their employees under supervision of Sector Skill Councils

2. Apprenticeship training can be imparted across sectors (manufacturing, services, trade and others)

3. Opportunity for on-the-job training skill acquisition

*subject to ceiling of ₹1500 for each apprentice per month.
SKILLS ACQUISITION AND KNOWLEDGE AWARENESS FOR LIVELIHOOD PROMOTION (SANKALP)

World Bank supported project with an investment of ₹4,445 crore with a 6 year implementation schedule, which aims to enhance institutional mechanisms for skill development, increase capacity and ensure access to quality and market-relevant training for youth across the country.

NATIONAL COMPONENT IN SANKALP: ₹1650 CRORE

**NATIONAL COMPONENT**

- **Infrastructure Development**
  - Skills Fund* ₹495 Crore
  - India International Skills Centre ₹165 Crore
  - Trainer & Assessor Academies ₹165 Crore
  - 719 Centres; 5 Lakhs+ to be trained
  - 66 Centres; 30,000+ to be trained
  - 50 Academies; 30,000+ trainers; 6,000+ assessors
  - Development of tech portals ₹165 Crore

- **Institutional Development**
  - Institutional Strengthening ₹660 Crore
  - Technical Assistance ₹165 Crore
  - Strengthening Entrepreneurship Development ₹165 Crore
  - Curriculum, Content and Learning resources ₹132 Crore
  - National bodies for Accreditation Assessments, and Research ₹198 Crore

*These include corporate skilling centres, rural centres and centres of excellence.*
STATES COMPONENT IN SANKALP: ₹1650 CRORE

STATE COMPONENT
STATE INCENTIVE GRANT ₹1650 CRORE

System Strengthening Grant ₹1320 crore

- State Skill Development Missions (SSDMs)
- District level skill gap assessments & support for institution building

Inclusion Grant ₹330 crore

- Enhancing inclusion of marginalised communities including women, SC/ST and PWD
SKILLS STRENGTHENING FOR INDUSTRIAL VALUE ENHANCEMENT (STRIVE)

Critical institutional reforms to improve access to quality and market-driven vocational training provided in ITIs and apprenticeships.

OUTCOME DRIVEN FUNDING WITH FOCUS ON:

Results Area 1
Improved performance of Industrial Training Institutes

Results Area 2
Increased capacities of State Governments to support Industrial Training Institutes and apprenticeship training

Results Area 3
Improved teaching and learning

Results Area 4
Improved and broadened apprenticeship training
To enhance training standards beyond the current programmes available in the skill eco-system and provide ‘hands on skills’ training to trainees in specialised areas in collaboration with industry and catering to local/regional industry requirements.

- Conduct NSQF compliant 2-year diploma courses in identified sectors/domains-impart higher level training programs
- Facilitate vertical mobility of trainees providing them academic equivalence for progression
- Creation of sectoral experts - become supervisors/managers in their respective fields

Approved the development of five Indian Institutes of Skills (IISs) at a cost of ₹476 crore.

ODISHA SKILL CONCLAVE

In a first of its kind initiative to explore greater opportunities for skill development in the states, a state-specific skill conclave was organized in Odisha on 6th and 7th May 2018. Interactive sessions brought together multiple stakeholders who engaged and ideated over the challenges and opportunities specific to the state.

Summary of the two day dialogue is being developed into a road map for the State.

Themes discussed
- State’s demand for skilled manpower based on growth patterns in state’s key sectors
- Public and private investment
- Out-of-state opportunities
- Issues on institutional capacity building
- Entrepreneurship opportunities were covered.
PROJECT YUVA IN CONJUNCTION WITH DELHI POLICE (MoHA)

Delhi Police has identified around 3,000 deprived youth in the capital for imparting skill training in various trades. In a bid to provide these street children and unemployed youth the opportunities to realize their potential, the National Skill Development Corporation in collaboration with Delhi Police, is undertaking project YUVA, under the Pradhan Mantri Kaushal Vikas Yojana (PMKVY) scheme.

The project is launched to empower the weaker and vulnerable section of the society. Along with skill training, development of soft skills, vocational skills, basic computer knowledge, spoken English are focused upon to enhance livelihood opportunities. The project is now being replicated in other states.

Helped training of over 2,300 candidates
