EXPRESSION OF INTEREST FOR CONDUCTING A DISTRICT WISE HUMAN RESOURCE AND SKILL REQUIREMENTS STUDY FOR THE STATE OF BIHAR IN INDIA

NSDC is committed to develop a research base for the skilling environment in India and to that effect, NSDC conducts District-Wise Skill Gap studies in all the states of India.

Herein, NSDC invites expression of interest for conducting a District Wise Human Resource and Skill Requirements study for the state of Bihar in India over the period of 2017-2022.

To express interest in carrying out the study kindly furnish the following information in a tabular format -

- Name of Firm
- Nature of the Firm
- Staff Strength in India
- Year of incorporation in India
- Strength of Management Consulting Team on rolls of the firm in India
- Number of Directors/Partners in the consulting practice in India
- Number of Offices in India
- Ratio of Management Consultants to Partner Strength
- No of relevant years of experience in carrying out primary and secondary research
- Execution of the study - Independently or in Consortium

Alongside, provide a scanned copy of the declaration letter.

Please email both the documents to NSDC by 5:00pm, 22nd February, 2017 at priyambda.tripathi@nsdcindia.org

Thank you.
