National Credit Framework (NCF) released for public consultations

Posted On: 14 DEC 2022 4:56PM by PIB Delhi

The Government has developed the National Credit Framework (NCrF) to enable the integration of academic and vocational domains to ensure flexibility and mobility between the two. The National Credit Framework (NCrF) is an inclusive umbrella Framework to seamlessly integrate the credits earned through school education, higher education, and vocational & skill education. Such integration enables numerous options for further progression of students and inter-mingling of school & higher education with vocational education & Experiential learning including relevant experience and professional levels acquired. The Framework has been released for public consultations on 19th October, 2022.

This information was given by the Union Minister for Skill Development and Entrepreneurship, Shri Dharmendra Pradhan in a written reply in the Rajya Sabha today.
